Re: Status of Plan Amendment, Northern Stone Supply, Turquoise Stone Quarry, S/003/020, Box Elder County, Utah

Dear Mr. Mullard:

On May 31, 2002, the Division received a copy of your proposed amended plan of operations for the Turquoise Stone Quarry from the BLM. We have also received a copy of the BLM review comments for this proposed amendment. Your cover letter on the amendment requested a site review, with the BLM and the Division. As we have discussed over the phone, we have scheduled this site visit for 8:00 a.m. on July 17, 2002. The Division will wait until after the site visit to finalize its review and permitting of this amendment.

If you have any questions regarding this timeframe, please don't hesitate to give me a call at (801) 538-5310.

Sincerely,

Lynn Kunzler  
Senior Reclamation Specialist
